REMARKABLE PROPOSITION!

Company Offers to Construct Sewer System Without Cost to City.

There's little that's wholly impossible in this progressive age; hence the following letter to Mayor Stallcup contains suggestions that are worthy of consideration by our citizens—
CHICAGO, June 12th, 1903.
Mayor Stallcup, Maysville, Ky.—Dear Sir: We have been informed that your city proposes to put in a sewerage system. We have a special proposition to present to the municipality for construction and maintenance of a sewerage system.

Our plan is new. Following is an outline of the proposition: Upon consideration of receiving a franchise for a sewerage system in your city, with all rights of construction, maintenance, making connections, building catch basins and all other appurtenances, we will put in a system free of charge to the city.

Our remuneration is to be secured from individuals, corporations and firms for the privilege of connecting to our mains.

This plan has been adopted by some cities, and it has, beyond a doubt, proven the most satisfactory and economical system of sewerage that could be secured. This plan relieves the city of a large outlay and gives it the opportunity of having perfect sewerage for its own use at a nominal cost.

Another important factor in favor of this plan is that the matter of taxing the citizens is completely eliminated, for the people who are not in a position to use sewerage connections are not taxed to pay for connections used by some large hotel or corporations; in other words, each citizen pays for what he gets. We would appreciate a reply on this subject and hope that you may give this serious consideration.

We beg to remain, yours truly,
THE NORTH AMERICAN CONSTRUCTION CO.
S. Hanner Neff, Secretary.

The Court of Appeals upholds the Democratic primary held in Jefferson county and the city of Louisville May 26th, upholds the regular Democratic City and County Committee, which called and conducted the primary, and sustains the injunction granted by the Jefferson Circuit Court to restrain Allie Young from removing the Committee or interfering with the primary. The decision is a clear knock-out for Allie Young at every point. The opinion was handed down by Judge Paynter, a majority of the Court concurring.

Governor Beckham was in conference Saturday with Circuit Judge Redwine in regard to calling another special term of Court at Jackson to investigate the charges of arson, bribery and other infractions of the law that have been brought out in the past few weeks. Inspector Hines went to Jackson yesterday to confer with Judge Redwine and Commonwealth's Attorney Byrd, and it is probable that the term will be called almost immediately. A Special Judge may be appointed, and in case indictments are returned the cases will be transferred to some other county for trial.

His Last Hope Realized.

From The Sentinel, Gelo, Montana.

In the first opening of Oklahoma to settlers in 1889 the Editor of this paper was among the many seekers after fortune who made the big race one fine day in April. During his traveling about and afterwards his camping upon his claim he encountered much bad water, which, together with the severe heat, gave him a very severe diarrhea, which it seemed almost impossible to check, and along in June the case became so bad he expected to die. One day one of his neighbors brought him one small bottle of Chamberlain's Colic, Cholera and Diarrhea Remedy as a last hope. A big dose was given him while he was rolling about on the ground in great agony, and in a few minutes the dose was repeated. The good effect of the medicine was soon noticed and within an hour the patient was taking his first sound sleep for a fortnight. That one little bottle worked a complete cure and he cannot help but feel grateful. The season for bowel disorders being at hand suggests this item. For sale by Jas. J. Wood & Son, Druggists.

WEAK, IRREGULAR,
PAINFUL HEARTS

Sometimes the heart grows irregular—the seat of pain and pressure. People are apt to think it due to some organic or structural disease of that organ, when the cause is comparatively simple—weakened motor power, trouble with the nerves, &c., &c., which has aggravated by a nervous dyspepsia. Put the nervous system right—give it strength and tone—supply through its medium the heart with power and the stomach with digestive juices and the trouble fades like snow in a summer sun. It is for this wonderful power Dr. A. W. Chase's Nerve Pills are world famous.

Mr. Thomas Maher of No. 212 Lee street, Maysville, Ky., says—

"I have been a sufferer for some time from heart failure and acute nervous indigestion. Hearing of Dr. A. W. Chase's Nerve Pills I got a box at Chenoweth's Drug Store. I have not yet stopped taking them in that region of the heart have disappeared completely. Its action is strong and regular and appetite is fine. I can recommend this medicine very highly as safe, reliable and certain in such affections."

Bargains to Boast About!

We can't say too much. There is a timeliness about our bargains that your pocket-book appreciates. It is in wanted goods we are making our biggest price cuts. Profit and cost are both sacrificed to repay you for buying when you had no such intention. Come expecting to buy the **MOST DESIRABLE GOODS IN THE STORE AT THE LOWEST PRICE**, whether you see them in the ad or not. **IT'S A HARVEST TIME** for the economical.

Cushion Covers.

Have you a big broad couch, or a roomy cozy corner that lacks a few sofa pillows? Here's a chance to enlarge your cushion supply at one-half the usual cost. To appreciate what these prices mean you must compare them to the goods.

Tapestry or lithograph cushion tops, 50c quality 25c; 25c quality 15c.

50c lace or satin damask cushion tops 25c.

75c all-silk cushion tops 50c.

A few handsome tapestry panels, \$1, formerly \$1 1/2.

A Dress Goods Fact.

Some potent motive, something more than chance, has maintained the enthusiasm in the buying of Dress Goods here, since the sale opened. We know the cause and so do you—if you've been here. Such beautiful fabrics, new, stylish, refined and tasteful, deserve large public appreciation—and get it and will continue to get it until these special offerings dwindle away. Will you be fully provided while the chance lasts? Today a word of exquisite Voile Batiste in six colors—tan, light blue, reseda, navy, castor, black. It's little wonder this beautiful goods holds such high popularity for summer wear. It is light weight, dust proof, cool, handsome, uncrushable and more serviceable than any other thin fabric made. Are you not amazed to get so much virtue for 39c? Not a yard sold under 59c before this sale.

Umbrellas.

Mere notice of the under prices at which these umbrellas are sold should suffice to send them out with a rush. Two most alluring groups just at time when there's plenty of rain in sight.

89c worth \$1.50.

Men's and women's umbrellas of good quality piece-dyed taffata, natural wood handles, variously trimmed.

\$1.39 worth \$3.

Sounds mysterious, this selling of such umbrellas. \$3, extra quality, bordered taffatas at \$1.39. No mystery though—just a feature of this Removal Sale.

Henckel Shears 25c.

These are the genuine Henckel scissors famous for their keen cutting qualities. One size, 5 inches, with nickel and japanned handles.

Embroideries 3¹/₂ c a Yard.

Edges and insertions of several widths. Some are soiled but the prices make amend. Hurry out prices are also attached to many short ends ranging in length from 1 to 3¹/₂ yards.

Portieres.

Housecleaning continues relentlessly on the upholstery floor. Stocks are being hurried out in every direction and women with homes to brighten by new curtains and portieres are eagerly seizing the chances offered by these wholesale price reductions. Take for instance these portieres—we've played havoc with their prices in our desire to get rid of them before moving.

Double faced Titian Velour with a brocade stripe in self color contrasted with a broad stripe in Persian tones. 3 styles, blue, olive, mastic, \$3.75 pair from \$6¹/₂. Such values should raise the dignity of dollars.

Armenian Portieres in reseda, Rembrandt, cardinal and rose effectively striped, with heavy fringe at the top and small tassels at bottom. They were among the best patterns of our Spring stock—\$2.95 from \$5. If you miss these you'll be a long time forgiving yourself.

Two-tone Damasse, blue, red, green. No one can stand within touch of this bargain and dispute its silent plea of economy—\$2¹/₂ from \$3.75.

Corded Habutai.

The best quality that comes from Japan. Safely washable and cooler than linen. Though the selling has been enormous, there is still a fair selection of patterns in pretty stripes and one piece of cream. 29c yd, always 49c.

Seasonable Silks

A sure way to judge the real merit of a sale is to consider the assortment it offers of silks that do not know off seasons of popularity—the kinds that are staple as long as silks are worn. In other words test a sale by ascertaining if it relies, for quantity, on a lot of unsalable designs that have proved themselves stickers at full prices or if it presents such extraordinary values as these—qualities that justly command elsewhere high prices in the present state of the silk market and would here if we hadn't determined to have an absolutely new stock for the new store.

Waterette Taffata. A black silk guarantee of a new sort—warranted to give serviceable wear and to be spot proof against water and perspiration. 27 in. wide \$1.19 yd. instead of \$1¹/₂.

Checked Taffatas.

In the popular black-and-white and blue-and-white. All in small and medium sized checks. Waist and dress lengths. 75c yd from \$1.25.

Several pretty color combinations, except blue-and-white in small checks reduced from 75c to 50c yd.

Only three dress patterns of the large lot of \$1 Foulards for 50c. One in panne, two in taffata finish, all beautiful qualities.

All these silks possess the double virtue of being new and under price.

Ribbons at Half Price and Less.

Beautiful and popular ribbons—exactly the kind that every woman wants to wear with summer dresses from now on. Plenty of the pretty blues and pinks in most becoming shades, also green, white, red.

25c to 35c ribbon 15c.

40c to 50c ribbon 19c. Only a few pieces left at this price.
